There are 3 tiers of financial investment associated with Scouting:

1. **Annual Registration**– to cover membership and insurance through the current registration period.
2. **Troop Activity Fee**– to cover supplies for activities, events, patches and awards. This cost differs from group to group based on their planned activities/events.
3. **Additional Costs**– Program Uniform, handbook and other Scouting events/activities your family can opt to participate in.

We encourage Scouts and families to “earn their way” by participating in annual fund-raising efforts; popcorn/peanut sales in the Fall and discount cards in the Spring. These fundraisers help offset these program costs.
