MAKING RESERVATIONS FOR YOUR UNIT

HOW TO MAKE RESERVATIONS AT

WWW.NFCSCOUTING.ORG
Let your mouse hover over the Camps/Reservations tab. Do not click on this tab.
Choose the camp that you want from the drop down menu.
Select the Category and Date that you are looking for reservations on.
Some areas will require how many day or hours you are looking for. The column on the right shows what is available. Areas that are not available will be grayed out.
If you have not signed up previously for camping or events it will allow you to sign up at this time. If you have previously registered your unit for events then log in and proceed.
Use this page to register how many people will be using this area. If you are registering far in advance then just use your best guess.
If you are a partner unit. Meaning that you participate in Popcorn, Camp Cards and Friends of Scouting then use the code provided to your unit to zero the cost of your camping.
You can pay for any charges for your reservations at this point.

The System will send a receipt to the email you used.
