

BSA, North Florida Council Shooting Sports Academy presents

Range Master and Range Safety Monitor Class

You've asked and we answered!

So... sign up to meet your trainers and enjoy this wonderful opportunity to receive your certification!

Class will be held on April 4, 2020 starting promptly at 8:00am to 2:00pm in the Rotary Building located at River Base at Camp Echockotee.

Our Scouts need trained officials and we need **YOU** to help keep them safe and keep them interested in Scouting

Be sure to bring your own lunch but rest assured, coffee and donuts will be available during classroom work.

Once the classroom work is complete you will move out to the BB and Archery Ranges for some practical exposure.

There is no cost for this class but we do need to know who will be attending.

Please register online at www.nfcscouting.org/calendar

Please contact Bill Messick at bmessick@nfcbsa.org for additional information.
