Updated Internet Rechartering

October 2018
Clicking on the link provided by your local council for Internet Rechartering brings you to this page. The first time you go in you must select Register.

Welcome and thank you for using Internet Rechartering from Boy Scouts of America. Internet Rechartering allows you to renew your unit's charter online and perform the following actions:
- Select members from your existing charter roster,
- Promote members from another unit,
- Add new members,
- Update member information, and
- Print a summary of costs associated with the new charter.

Before beginning Internet Rechartering, collect all member information, including new member forms with the appropriate signatures. To complete the process, you must be connected to a printer to print the final report for signature.

If you are a new user, you can consult this presentation for instructions on using Internet Rechartering.
