

BOY SCOUTS OF AMERICA®
NORTH FLORIDA COUNCIL

Packs and Family Scouting – Fall 2018
Application for Participation

Due at your District's August Roundtable

Application must be accompanied by a completed Pack Information Sheet

Pack Details

District: _____ Pack #: _____ Charter Partner: _____

In an effort to ensure quality program delivery, and retention of new youth, every Pack wishing to serve the full family in the fall of 2018, must have a minimum of two volunteers whose roles are Den Leader and Assistant Den Leader for girls in the Pack. Additionally, every Pack must have an active and engaged New Member Coordinator.

The Den Leaders (at least one must be female) will serve new girls who join the Pack. If there are only a few girls from multiple grade levels, these Den Leaders should be prepared to lead one girl den, serving various age-levels. If recruitment is more successful and there is a need for multiple girl dens – these Den Leaders, along with the New Member Coordinator, are to engage new family members to serve as Den Leaders for the girls.

Pack Leadership
