Foreword

Arrowmen,

A scout is clean, please make sure that when we use our local camps that we show our gratitude by keeping our precious camps clean. Without these camps, we would be unable to provide experience-rich program for the youth of our council. Through these experiences is how our beloved program turns youth into adults and instill the high ideals of Scouting throughout North Florida – for this we are eternally grateful.

This guide was created with the purpose to guide youth and adults to campsites throughout Florida. You will find that each campground has its own unique experiences to offer. I am proud to present this completed guide to the North Florida Council and hope that it serves your troops well.

Happy Camping!

Yours in Eternal Brotherhood,

Wm. Nicholas Chitty

How to Use This Guide

Format
This Guide is digitally published on the lodge website, and is created for units in the North Florida Council or surrounding councils to provide ideas and locations in order to encourage camping in the North Florida geographic area. The Guide is formatted so that individual pages may be removed for revision or to make extra copies of camping site information to carry along with camping trips. Additional resources are included in order to help troops and units with their trip planning. Each page is consecutively numbered, and is accessible via the Table of Contents on page 2 so that each page can easily be found.

What's New?
This is the second edition of Echockotee Lodge’s “Where to Go Camping Guide” and we felt that the old guide was very overwhelming. This guide is meant to make trip planning and brainstorming easier. To fulfill that mission, we have cut down the guide to some of my favorite camping experiences throughout the state of Florida. One of the founding principles of the Order of the Arrow is to promote camping and that is the entire purpose of this guide.

Camping Site Information
Camping site information is generally spread by word-of-mouth or by roundtable discussions. Since not every unit may be knowledgeable on camping areas, this Guide serves as a valued resource for both new and mature troops. It also serves as a document that can be shared between other councils to encourage ideas to other units. This Guide is not complete, but instead a dynamic and growing document that will improved with each new edition.

How to Contact the Editors
If you wish to submit a camping location to our Guide, or if you have any revisions, suggestions for removal, or any other miscellaneous comments, please contact the editors by any of the means below. Any information received will be forwarded to the appropriate person(s) for inclusion in the next edition! Your input is welcome and needed in order to make this document as helpful and accurate as possible. Thank you!

Permits and Permission Forms

Although the Tour and Activity Plan has been eliminated, it is essential that your unit complete a trip plan. The full national BSA policies regarding Tour Plans are found here: www.scouting.org/scoutsource/HealthandSafety/TourPlanFAQ.aspx. Be sure to contact your own council’s policy regarding Tour Plans to ensure your unit follows the correct guidelines and steps to guarantee a fun and safe time whilst camping. All permits are to be filed in a timely fashion well before your trip to your local council, and the adult leader in charge must have the plan or permit in his possession throughout the duration of the trip.

Due to the variety of forms, this Guide does not include the specific types of forms in this section. To access these forms, go to www.nfscouting.org, www.scouting.org, or contact your local council.

Health Forms

In order to ensure safety on all Scouting outings, the BSA requires every registered member to have on file a valid annual medical evaluation completed by a physician, nurse practitioner, or physician’s assistant. Completing a health history promotes health awareness, collects necessary data, and provides medical professionals critical information needed to treat a patient in the event of an illness or injury. It also provides emergency contact information.

Parts A and B are to be completed at least annually by participants in all Scouting events. This health history, parental/guardian informed consent, hold harmless/release agreement, and talent release statement is to be completed by the participant and parents/guardians.

Part C is the physical exam that is required for participants in any event that exceeds 72 consecutive hours, for all high adventure base participants, or when the nature of the activity is strenuous and demanding. Part C is to be completed and signed by a certified and licensed health-care provider—physician (MD or DO), nurse practitioner, or physician assistant. It is important to note that the height/weight limits must be strictly adhered to when the event will take the unit more than 30 minutes away from an emergency vehicle, accessible roadway, or when the program requires it, such as backpacking trips, high-adventure activities, and conservation projects in remote areas.

Part D is required to be reviewed by all participants of a high-adventure program at one of the national high-adventure bases and shared with the examining health-care provider before completing Part C.
For additional health forms or other official Scouting paperwork, visit [www.nfcscouting.org](http://www.nfcscouting.org), [www.scouting.org](http://www.scouting.org), or contact your local council.

North Florida Council Camps

The North Florida Council is fortunate to host four facilities available for Scouting and camping usages. Be sure to follow your council’s policies regarding tour permits to these campgrounds and facilities, especially if your troop is participating in shooting sports, aquatics, or climbing. In addition, be certain your troop holds the certain trainings required to open and operate the high-risk areas available for use at these camps.

The four facilities owned by the North Florida Council are:

- Baden-Powell Scout Reservation (Camp Shands)
- St. Johns River Base at Echokotee
- Camp Davis
- Camp Francis
Campgrounds
Baden-Powell Scout Reservation (Camp Shands) and Camp Davis

Contact Information
1453 Baden Powell Road
Hawthorne, FL 32640
Reservations: (904) 388-0591

Ranger: Robert Burns
Phone: (352) 475-1212
Email: robert.burns@scouting.org

General Information
Located on over 1,000 acres of diverse terrain, BPSR/Camp Shands is home to the North Florida Council's summer and winter camping programs in addition to many other programs offered throughout the year. Camp Shands offers 11 large campsite areas, housing, a beautiful lake, pavilions, a dining hall, and meeting rooms. Baden Powell Scout Reservation/Camp Shands is open for camping from September through April. Summer camp is May through August, while winter camp is in late December.

Camp Davis is a primitive campground located inside Camp Shands, available for use September through April.

Additional Features
- Incredible shooting sports areas, geared to help teach Scouts and adults about safe rifle, shotgun, pistol, BB gun and archery activities
- A beautiful waterfront on Lake Osborne, with great opportunities for swimming, fishing, and boating
- Miles of beautiful hiking trails
- C.O.P.E. course and a 65’ climbing wall
- Xtreme Obstacle Course
- A water park equipped with swimming pool, water slides, wading pool, and pavilions

Directions
From Jacksonville: take US-21 south. There is a sign on the right-hand side stating "Boy Scouts of America – Camp Shands" (a few miles south of the town of Melrose/the FL-21/FL-26 intersection). Immediately after the sign, turn right onto Baden-Powell Road. In three miles, the entrance to Camp Shands will be on the right-hand side.

From Orlando: take FL-19 north. Continue on county road 310 towards Interlachen. Turn left on FL-20 west. Take Baden-Powell Road towards Camp Shands, which will be on the left-hand side.

Reservations: (904) 388-0591

Ranger: Frank Geer
Phone: (904) 250-9981
Email: frank.geer@scouting.org

General Information
Located in Orange Park, FL along the shores of Doctors Lake and the St. Johns River, the St. Johns River Base is home to the North Florida Council's Aquatics Camp, in addition to many other programs offered throughout the year. Founded in the early 1920's, SJRB has 8 large campsites, a dining hall, meeting rooms, plus many pavilions and program areas to fit your Scouting needs.

Additional Features
- Shooting Sports geared to help Cub Scouts and adults learn about safe archery and BB gun activities
- A climbing wall for Webelos, Boy Scouts, and Venturers
- A swimming pool
- A beautiful river with a boat dock, available for sailboating, motor boats, canoeing, and kayaking

Directions
From Jacksonville – US-17: Enter Orange Park on US-17. Turn East onto Kingsley Avenue (SR-244) and go to the third traffic light and turn left onto Doctors Lake Drive. Proceed 1.9 miles to camp, where the entrance is on your left.
From Jacksonville – FL-21: Enter Orange Park on Blanding (FL-21). Turn West onto Kingsley Avenue and travel approximately 2.5 miles, cross the railroad tracks and immediately turn right onto Doctors Lake Drive. Proceed 1.9 miles to camp where the entrance is on the left.
Camp Francis

Contact Information
454 South Francis Street
Interlachen, FL 32148
Reservations: (904) 388-0591

No Ranger, but to have the water turned on, contact Jerry Foster at (386) 972-8859 or Willard Stewart at (386) 684-0445.

General Information
Camp Francis is owned by the Camp Francis Trust and is set aside for usage by Boy Scouts. Camp Francis features several wooded campsites, a large open field, a shelter at the old house site, pit latrines and city water. The site is perfect for advancement work with new Scouts or for troop games in a private setting. Please note all camp rules as posted on the side of the building. These rules are your responsibility to seek out and follow. The lake and dock is off limits and not available for Scout use. Quiet time is from 11 PM until 7 AM. Since there is no garbage service on the property, we ask that all trash must be packed out.

Additional Information
We are now asking that you complete a Camp Francis Permit to reserve the property. Visit www.nfcscouting.org/files/7591/Camp-Francis-Reservation-Form for the permit.
Anastasia State Park

Contact Information
300 Anastasia Park Road
St. Augustine, FL 32080
(904) 461-2033
www.floridastateparks.org/park/Anastasia

General Information
Anastasia State Park includes 1,600 acres of rich ecosystems and abundant wildlife. Explore up to four miles of pristine beach, the estuarine tidal marsh teeming with plant and animal life, or the self-guided nature trail which takes you through the maritime hammock and onto ancient sand dunes. You can also visit the Coquina Quarry, an archaeological site where coquina rock was mined to help construct the nearby Castillo de San Marcos National Monument, earning it a spot on the National Register of Historic Places.

Additional Features
At Anastasia, there are many recreational activities to enjoy including hiking, swimming, beachcombing, bird watching, and much more. The campground contains 139 campsites all located within the beautiful maritime hammock and just a short walk or bike ride from the beach. Anastasia has concessions to provide guests with rental opportunities of bicycles, paddleboards, kayaks, sail boats and canoes. There is also a grill area and a small gift shop for visitors to take home an Anastasia memory. The grill location also provides Wi-Fi for visitors’ use.

Directions
Anastasia is located 1.5 miles north of State Road 312 on State Road A1A, less than 5 miles south of St. Augustine.
Big Lagoon State Park

Contact Information
12301 Gulf Beach Highway
Pensacola, FL 32507
(850) 492-1595
www.floridastateparks.org/park/Big-Lagoon

General Information
Sitting on the northern shoreline of its namesake, Big Lagoon State Park's 655 upland acres separate the mainland from Perdido Key and the Gulf of Mexico. Natural communities, ranging from saltwater marshes to pine flatwoods, attract a wide variety of birds, especially during the spring and fall migrations, while the beaches, shallow bays, nature trails and open woodlands offer splendid opportunities for nature study. The park also beckons visitors to camp, swim, fish, boat, canoe and hike. Crabbing in the shallow waters of Big Lagoon is a popular activity as well.

Additional Features
Bicycling is popular along the 2.5-mile long paved main park drive. Helmets are highly recommended for all cyclists and Florida law requires helmets for cyclists age 16 and under. The campground has 75 sites, each equipped with 30/50amp electric, water, a picnic table, and a fire ring/ground grill. Three full-service restrooms and a dump station are available. Pets are welcome in the campground. Kayak, canoe, and stand-up paddleboard rentals are available from the Ranger Station. Swimming is available in designated areas along the Intracoastal Waterway.

Directions
From I-10 take exit 7, drive south for 4 miles on Pine Forest Rd. to Blue Angel Parkway. Turn right onto Blue Angel Park Way, drive south on Blue Angel park way for approximately 14 miles to Gulf Beach Hwy. Turn right onto Gulf Beach Hwy Drive west for 4 miles, Big Lagoon State Park is on the left.
Blackwater River State Park

Contact Information
7720 Deaton Bridge Road
Holt, FL 32564
(850) 983-5363
www.floridastateparks.org/park/Blackwater-River

General Information
A favorite destination for canoeists and kayakers, Blackwater River State Park offers opportunities for a variety of outdoor activities. The river is one of the purest sand-bottom rivers in the nation, making this park a popular place for swimming, fishing, camping, and paddling. Shaded campsites are just a short walk from the river and a picnic pavilion overlooks the river. Nature enthusiasts will enjoy strolling along trails through the more than 600 acres of undisturbed natural communities. In 1980 the park was certified as a Registered State Natural Feature for its exceptional illustration of Florida's natural history. One of the largest and oldest Atlantic white cedars stands among the many that line the river and, in 1982, it was recognized as a Florida Champion tree.

Additional Features
The park offers two nature trails, picnic areas, and 30 campsites. Campsite amenities include water, electricity (20/30/50 amp), on-site sewer and a bathhouse. Camping reservations may be made by visiting ReserveAmerica.com or by calling ReserveAmerica at (800) 326-3521. The Blackwater River attracts paddlers from far and wide and has been designated a Florida canoe trail. The last two miles of the trail are located within the park. Bring your canoes or tubes to truly enjoy the beauty of the Blackwater River. A canoe outfitter offer trips and rentals.

Directions
Blackwater River State Park is located 15 miles northeast of Milton, off U.S. 90. Heading East on I-10, exit 31 (Hwy 87N). Half mile, right turn on Highway 90. Seven miles to town of Harold. Left turn onto Deaton Bridge Road. Three miles to main gate. Heading West on I-10, exit 45 to town of Holt (blinking light). Left turn onto Highway 90. Approximately 15 miles to the town of Harold. Right turn on Deaton Bridge Road. Three miles to main gate.
Blue Spring State Park

**Contact Information**
2100 W. French Avenue
Orange City, FL 32763
(386) 775-3663
www.floridastateparks.org/park/Blue-Spring

**General Information**
Blue Spring State Park covers more than 2,600 acres, including the largest spring on the St. John’s River. Blue Spring is a designated manatee refuge and the winter home to a growing population of West Indian Manatees. During manatee season, which approximately runs from mid-November through March, several hundred manatees can be viewed atop the spring’s overlooks on cold days. The spring and spring run are closed to all water activity from mid-November to at least mid-March. Swimming or diving with manatees is not permitted; this rule is strictly enforced.

**Additional Features**
Blue Spring State Park has a variety of different activities for patrons. The spring’s crystal clear, 73-degree water can be enjoyed by swimmers, snorkelers, and certified scuba divers with a partner during our designated swimming season. Fishing, canoeing, and boating are also enjoyed along the St. John’s River.

**Directions**
Blue Spring is located west of Orange City. Take U.S. 17/92 to Orange City, go west two miles on French Avenue to the entrance.
Dr. Julian G. Bruce St. George Island State Park

Contact Information
1900 E. Gulf Beach Drive
St. George Island, FL 32328
(850) 927-2111
www.floridastateparks.org/park/St-George-Island

General Information
Miles of undeveloped beaches on this barrier island provide the perfect setting for this park, which offers ample opportunities for sunbathing, swimming, canoeing, boating, hiking, camping and nature study. Two natural boat ramps provide access to the bay for small boats. Anglers can fish for flounder, redfish, sea trout, pompano, whiting, Spanish mackerel and other fish off the beach or in the bay. Few parks offer better opportunities for shelling. Sea turtles and shore birds such as the snowy plover, least tern, black skimmer and willet nest in the park during the summer. The park has six large picnic shelters equipped with grills, tables and nearby restrooms. The campground features 60 campsites with water, electric, a central dump station and two bathhouses. Two primitive campsites can be accessed by a 2.5-mile trail or by canoe or kayak. A primitive group camp area is available for scouts and other organized groups. Annual special events include the Coffee in the Campground from November through February, Coastal Cleanups in September and weekly interpretive programs in the fall. Other events and ranger programs are available throughout the rest of the year.

Additional Features
The park has four miles of paved road along the main park drive and a five-mile stabilized road that leads to the east end of the island. There are also three and a half miles of nature trails to ride your bicycle on. There is a bicycle path outside of the park that leads to the center of the island. Six sites have concrete pads and walkways. The campground is located behind historic dunes in the pine flatwoods. Although there are no ocean or Gulf views, the campsites are only a quarter mile from the beach and the Gulf. There are two restrooms with hot showers, a playground and a linear nature trail that meanders from the campground through the pine forests and coastal scrub. Canoeing and kayaking are popular activities on the bay. Canoes and kayaks are available for rent at the ranger station.

Directions
St. George Island State Park is accessible via a four-mile bridge from Eastpoint, Florida. Eastpoint is located approximately 75 miles southwest of Tallahassee, Florida. The park is located on the east end of St. George Island.

Falling Waters State Park

Contact Information
1130 State Park Road
Chipley, FL 32428
(850) 638-6130
www.floridastateparks.org/park/Falling-Waters

General Information
Huge trees and fern-covered sinkholes line Sink Hole Trail, the boardwalk that leads visitors to Florida's highest waterfall. Falling Waters Sink is a 100-foot deep, 20-foot wide cylindrical pit into which flows a small stream that drops 73 feet to the bottom of the sink. The water's final destination remains unknown. Only a few miles south of I-10, the park provides travelers with a quiet, serene stop on their journey. Visitors can see beautiful native and migrating butterflies in the butterfly garden, take a dip in the lake, or have a family picnic. Hikers can experience the verdant, gently sloping landscape of North Florida. Park rangers host interpretive programs in the amphitheater. Full-facility campsites nestled in a shady pine forest provide the perfect excuse for an overnight stay at Falling Waters.

Additional Features
Located on one of the highest hills in Florida, Pine Ridge Campground at Falling Waters State Park has the highest elevation in the state at 324 ft above sea level. Nestled among the Long Leaf Pine and Dogwoods are 24 campsites. There are three short nature trails that meander through Falling Waters State Park. These trails will take you around 100 ft deep sink holes, the tallest waterfall in Florida and many other points of interest. In total, there is about one mile of trail to hike but part of what makes these trails unique is the park's topography. There are few parks in Florida that can rival Falling Waters State Park when it comes to hills which can make hiking challenging for guests.

Directions
Falling Waters State Park is located three miles south of Chipley off State Road 77. Turn left on State Park Road and follow it to the park entrance. From I-10, take the Chipley exit south on State Road 77 and follow signs to the park.
Faver-Dykes State Park

Contact Information
1000 Faver-Dykes Road
St. Augustine, FL 32086
(904) 794-0997
www.floridastateparks.org/park/Faver-Dykes

General Information
Noted for its pristine condition, this tranquil park borders Pellicer Creek as it winds along Florida’s east coast highways down to the Matanzas River. Pellicer Creek is a popular site for birding with more than one hundred bird species seen during spring and fall migrations. Songbirds, including the colorful wood warblers, along with eagles and falcons, return to nest at the park each year. Wading birds, such as egrets, wood storks, white ibis, and herons, feed in the tidal marshes and creeks. This peaceful park is also home to deer, turkeys, hawks, bobcats, and river otters.

Additional Features
Fishing, picnicking, and nature walks are popular activities. Pellicer Creek is a Designated State Canoe Trail and visitors can rent canoes at the park. A full-facility campground is available for overnight stays. Located 15 miles south of St. Augustine near the intersection of I-95 and U.S. Highway 1.

Directions
Take Interstate 95 to exit #298 which is US 1. Go north on US 1 for 300 yards and turn right on Faver-Dykes Road. Go 1.5 miles on Faver-Dykes Road to Faver-Dykes State Park.

Contact Information
3345 Caverns Road
Marianna, FL 32446
(850) 482-1228
www.floridastateparks.org/park/Florida-Caverns

General Information
This is one of the few state parks with dry (air-filled) caves and is the only state park in Florida to offer cave tours to the public. The Florida Cavern has dazzling formations of limestone stalactites, stalagmites, soda straws, flowstones and draperies. The Chipola River and Blue Hole spring provide areas for fishing, canoeing and boating. Florida Caverns State Park is popular for camping, picnicking, fishing, hiking, and horseback riding. General Information
This jewel of a park is a great place to get away for a weekend or a week-long vacation. Picnic facilities and a swimming area are located near the scenic point where the Ochlockonee and Dead Rivers intersect. Ochlockonee, which means "yellow waters," is a mix of brackish, tidal surge, and fresh water. Pristine and deep, the river empties into the Gulf of Mexico. Trails allow visitors to explore the park and see the diverse wildlife, including the red-cockaded woodpecker, and natural communities such as pine flatwoods and oak thickets. A boat ramp provides easy access to the river. Both freshwater and saltwater fish inhabit the waters around the park, including largemouth bass, bream, catfish and speckled perch. For overnight visitors, there are full-facility campsites with access to restrooms and showers. Youth group camping is also available.

Additional Features
Bicycling is allowed on the park’s multi-use trails, the scenic drive and the park drive. Bicycles are also available for rent at the ranger station for $10.00 a day. A primitive group campground is provided on the banks of the Dead River off the scenic drive. This site is a great spot for Scouting groups and other organized youth groups. Showers and potable water are available on the site as well as a large fire ring and bench seating. A large table is provided for cooking. One campsite is available for hammock camping in the campground (site #14) it can be reserved through ReserveAmerica. It has one three-hammock hanging structure on it. It is the only hammock accessible campsite in our campground due to the live oak canopy. The park provides access to some of the best canoe and kayaking opportunities in the area. There are miles and miles of tidal creeks and rivers to explore in this area of Florida. Maps are provided at the Ranger Station and on the park's webpage to help you decide which direction to head first. Canoes, kayaks and paddleboards are available for rent at the ranger station for $20.00 a day. There is an accessible kayak launch available at the boat ramp.
