

Brownsea NYLT Summer Personal Equipment List

The official Boy Scout/Venturing/Sea Scout Field uniform (Class "A") is required to be worn throughout the course week. All insignia must be sewn in the correct position according to the current Boy Scout/Venturing/Sea Scout Handbook. The Boy Scout Activity (Class "B") uniform, consisting of a Scouting related T-shirt, official Scout shorts, and Scout belt, is worn during the heat of the day. **Scouts name should be on each item he brings.** A Scout baseball style cap or brim hat is required (Troop caps are OK). Merit Badge and OA sashes are not needed or worn.

Participants will need two (2) uniforms so that they may wash a uniform each day as needed. He may use laundry detergent (something like Spray 'n Wash also helps). Do NOT bring anything electronic such as games or phones, as they are not needed. In the case of an emergency, the staff will provided necessary communication.

ONE exception to this is battery-powered fans, due to the summer heat they are permitted and encouraged.

Each Scout must arrive in correct OFFICIAL BSA FIELD (Class "A") uniform, including belt, socks and waterbottle, and he will backpack from the check-in area to his campsite. No luggage or footlockers!

Each patrol will back-pack to an overnight campsite for one night during the course. Scouts should be prepared to pack enough gear in their backpack for the hike and overnighter, including a personal tent.

Any Scout not having the required items and a signed, current Personal Health and Medical Form, and who is not 1st Class (or a waiver from the Course Director) and whose fees are not paid in full, may not, under BSA policies and guidelines, be admitted to the course.
